AGExpo aims to increase awareness and knowledge on elder care living and wellbeing to promote a high quality of life at every age.

A photograph of an elderly couple smiling and embracing each other. The man is on the left, wearing a light blue shirt, and the woman is on the right, wearing a grey cardigan over a white top and a pearl necklace. To the right of the couple is a cluster of hexagonal icons with white outlines and orange backgrounds. The icons include: a house with a heart, two people (one with a cane), a microscope, a DNA helix, a pill, a person at a desk, a person meditating, a person at a computer, a building with a cross and a Wi-Fi symbol, a heart with a pulse line, a heart, a first aid kit, and a person at a desk with a magnifying glass.

HOMEDEC SHOWHOME

AT HALL 1

Home is where
we LIVE, LEARN,
GROW, and THRIVE.

Take home fundamental knowledge for building a home that your family elders can enjoy their golden years in. From fittings to fixtures and furnishings, this space will incorporate everything you need to know.

The Designer
Chuah Wen Xu

Currently responsible as the Creative Director of the critically acclaimed HISTRONG Design, he perceives design as a tool to solve problems and is dedicated to helping his customers build their dream homes.

Driven by a passion to make sustainable, eco-friendly design accessible to everyone, particularly for the elderly, he also took up the role as a designer for the Alzheimer's Disease Foundation Malaysia (ADFM) in 2020 to create novel interior designs that meet the needs of old folks.
